### **Reasons for Allowance**

1. The following is an Examiner's statement of reasons for allowance.

The prior art of record fails to teach or suggest, graphical user interface for display of anatomical information comprises (a) determining a third dimension from the sequence of two-dimensional tomographic sections to create a first volumetric view wherein said first volumetric view is displayable in a second portion of the display; determining a second volumetric view of a selected feature shown in the first or second portion wherein said second volumetric view is displayable in a third portion of the display; and rendering one or more of said first, second or third portions of the display in combination into other features and elements of claims 1 and 18; (b) rendering on a third portion of the display a view of a selected feature shown in the section then being rendered on the first portion, said view being selectively rotatable about multiple axes in combination into other features and elements of claim 73.

2. **Claims 1-73 are allowed.**

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### **Citation of Relevant Prior Art**

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
